Dear Friends,

The book of the Virée des Cols Vosgiens 2010 has been closed recently. The whole team from the organisation is still in the starting-blocks to prepare the XII<sup>th</sup> edition of our event which will take place in May ( 12<sup>th</sup> till 15<sup>th</sup> or 19<sup>th</sup> till 22<sup>nd</sup> ). We will do our best in order to correct the little imperfections from this year such as to make the next edition of the VCV more attractive. To do this, we need to know your opinion and invite you to return the filled up questionnaire joined to the present letter.

You can also order the video coverage of the XI<sup>th</sup> edition realized by our partner AH Vidéo-Concept (DVD or VHS tape)

The number of participants remains limited at 90 teams as we have not the means to increase the number of cars. Knowing that it will not be possible to meet all the requests, please inform us as soon as possible about if you expect to participate at the next edition.

I wait for your answer.

Speeding regards.

Daniel Melle
